TIME TO CLEAN

Have a go at answering the questions to see if you're a cleaning pro!

3 Why's it important to de-cobweb your pony's stable?

- A** It just looks pretty when it's done
- B** Cobwebs trap dust, which is bad for your pony's airways
- C** It doesn't need doing

6 How can you help save dry bedding when mucking out?

- A** Shake your shavings fork so the droppings stay on and the clean shavings drop into the bed
- B** Use a shovel and try not to get dry bedding on it
- C** Use a pitchfork and avoid picking up dry bedding

4 Your pony keeps dragging hay into his bed. What's the best way to help stop this?

- A** Leave it on the floor, he'll learn eventually
- B** Pop his hay in a net or hay feeder
- C** Leave it in one corner of the stable away from the bedding

7 Your pony's bed is now looking super-smart. What can you do to make the outside of his stable match?

- A** It's fine how it is
- B** Repaint the outside every day
- C** Tidy up, hang up any rugs and sweep

5 How often should you scrub out your pony's water bucket?

- A** Once a week
- B** Three times a day
- C** Every day

8 You've cleared your stable out to give it a deep clean, what should you do to the rubber mats before putting them back in?

- A** Sanitise them
- B** Nothing, pop them straight down
- C** Brush them with a broom

1 Why's it important to provide your pony with a deep bed? (tick all that apply)

- A** So it's comfy for you to walk around on when you're grooming him
- B** To prevent him from hurting himself on the hard floor
- C** To keep him comfortable

2 Why's it important to remove all the wet bedding each day?

- A** To make the bed look nice
- B** To keep your pony's hooves and airways healthy
- C** To stop the rubber matting from staining

HOW DID YOU GET ON?

0-3 POINTS
Utter mess

Uh-oh! Looks like your stable could do with a mighty good clean! Not to worry, though – ask your yard manager if you can watch them muck out to get an idea of how to do it. Soon you'll be passing this quiz with flying colours!

4-6 POINTS
Keep on cleaning

Good job – your fave pony's stable is clean but it's lacking some finesse! Polish up (quite literally!) on the finer details and your stable will be gleaming so much so that everyone will want to know your secret!

7-8 POINTS
Cleaning star

Wow! Your stable is sooo sparkly clean, even you could sleep in it! You have amazing knowledge on cleaning your pony's stable – he's super-lucky to have you looking after him. Keep up the good work, cleaning star!
