

HAZARDOUS

HACKING

Can you help Jasmine and Ava make the right decisions so they can get around their hack safely?

1 Jasmine is in front and they're approaching some dustbins on the road. Her pony's scared of them and has stopped, what should she do?

- A** Kick to tell him go forward and stop being silly
- B** Turn around and go down a different route
- C** Follow Ava's pony, as he's brave and will give Jasmine's pony confidence

2 Jasmine and Ava are approaching some roadworks. How should they ride past them so everyone is kept safe?

- A** Ride next to each other
- B** Single file
- C** Find another route

3 The road is clear but there's a cyclist approaching the girls from behind. Ava's pony isn't keen on cyclists, so what can she do to help keep her pony calm?

- A** Keep on riding as normal
- B** Halt her pony to prepare him, let the cyclist know her pony is nervous and ask him to pass wide
- C** Tell the cyclist he cannot pass

4 There's another horse and rider trotting towards the girls on their hack and this is making the ponies fizzy. What can they do to stop this?

- A** Politely ask the rider to come back to walk
- B** Nothing – it's rude to ask them to slow down!
- C** Pick up trot so they pass each other in the same pace

5 The road Jasmine and Ava are riding down is very narrow and a car is approaching from behind. What can they do to let the driver pass?

- A** Carry on riding until they find the safest passing area
- B** Stop and wave the driver past
- C** Make the driver wait behind for as long as it takes

6 A dog is off the lead and is barking at the ponies. Luckily, they're not frightened, but what should Jasmine and Ava do?

- A** Carry on riding. The owner will grab the dog
- B** Canter away from the dog to outrun it
- C** Stop, comfort the ponies and politely ask the owner to put the dog on the lead

7 Jasmine and Ava have arrived at a gate they need to go through, but Ava's pony doesn't like to stand still. What should they do?

- A** Turn around and go back
- B** Let Jasmine open the gate while Ava keeps her pony moving
- C** Ring someone from the yard to come and open it

8 The riders need to cross a shallow stream. Ava's pony walks in happily but Jasmine's pony is more nervous. What can Jasmine do to help give her pony confidence to go in?

- A** Get off and be prepared to get wet leading him in
- B** Go a different way home
- C** Use Ava's pony as a lead and praise Jasmine's pony when he follows

HOW DID YOU GET ON?
